

Lake Tomahawk ATV-UTV CLUB
P.O. Box 204
Lake Tomahawk, WI 54539

February 14, 2021

- Informational -

Dear Club Members, Property Owners and Other Interested Parties,

Thank you for taking the time to read this particularly important message from your local Lake Tomahawk ATV-UTV Club.

This past year the Club has worked diligently with the Town of Lake Tomahawk to open all town roads and Lake Tomahawk's ATV/UTV Ordinance "Chapter 347 Vehicles, All-Terrain and Utility Terrain Access Route" was adopted October 14, 2020. We ask you take time to review the contents of such ordinance at this link <https://ecode360.com/34354810>. The Lake Tomahawk Road Dept will be tasked with putting up signs in Spring 2021—after posted, all town roads will be open. County Hwy D is not included in the "town roads" classification.

We need your help.

Although all town roads will be open to ATV/UTV traffic we are still tasked with those riders trying to get into town and to the trailhead via County Hwy D. County Hwy D is under the jurisdiction of Oneida County and requires the Town's "blessing" before opening the highway.

Which means County Road D East, from Birch Road to Hwy 47 **is closed** to ATV/UTV use AND County Road D West, from Lakewood Road to Hwy 47 **is closed** to ATV/UTV use

George DeMet, our Town Chairperson, indicated that crossing D from town road-to-town road is allowed.

We have provided SAFE ROUTE OPTIONS to the Town of Lake Tomahawk which would divert most traffic from County D with no luck. Our club is working with landowners, local snowmobile clubs, the DNR, and the State DOT for other options of getting riders safely into Lake Tomahawk and to the trailhead.

We ask THAT YOU ATTEND MONTHLY TOWN BOARD MEETINGS UNTIL WE ARE SATISFIED. Getting riders from County D into Lake Tomahawk affects many of us, including our small-town businesses. Should you have questions for George DeMet, our Town Chairperson, regarding this issue please contact him at 715-277-2245 or email him at chairman@laketomahawkwi.org. Reach our club President, Tom Kettler at 715-499-2510 tkettler@gmail.com.

Thank You,
Lake Tomahawk ATV-UTV Club
